Psychiatric History The psychiatric history is the record of the patient's life; it allows a psychiatrist to understand who the patient is, where the patient has come from, and where the patient is likely to go in the future. The history is the patient's life story told to the psychiatrist in the patient's own words from his or her own point of view.

8 The psychiatric history and mental state examination (MSE) The psychiatric history and mental state examination (MSE) In taking a psychiatric history and assessing the mental state, it is crucial both to establish and maintain rapport and to be systematic

### **1 The psychiatric history and mental state examination (MSE)**

In the 20th century, America became prominent in psychiatry, both in the arenas of psychotherapy and biological psychiatry. Developments over the past 50 years have been so numerous (pharmacotherapy, diagnosis, forensics, child and adolescent psychiatry, epidemiology, etc.) that they are here represented in tabular form at the end of the chapter.

394 working on the history of physical therapies in psychiatry other than pharma- cotherapy, and in particular on the history of psychosurgery. 3,4 This work has provided an increasing body of evidence that, for example, psychosurgery far from being a - mistake was developed from cutting edge scientific research, that its benefits in individual cases have probably been under-

## **History of Psychiatry - Dr. David Healy**

There are some terms related to psychology that are frequently confused with it. Psychiatry is a branch of medicine specializing with mental disorders. Psychiatrists are medical doctors, and have been through medical school, an internship, residency training, and board certification as specialized physicians.

## **UNIT 1: THE DEFINITION AND HISTORY OF PSYCHOLOGY**

History is a screen through which the past lightens the present and the present brightens the future.

Psychiatry by virtue of its ability to deal with human thoughts and emotions and provide a pathway for healthy minds provides an important platform towards being a mentally sound human being and largely the society.
