Advertising is a marketing communication that employs an openly sponsored, non-personal message to promote or sell a product, service or idea.: 465 Sponsors of advertising are typically businesses wishing to promote their products or services. Advertising is differentiated from public relations in that an advertiser pays for and has control over the message.

Comparative advertising or advertising war is an advertisement in which a particular product, or service, specifically mentions a competitor by name for the express purpose of showing why the competitor is inferior to the product naming it. Also referred to as "knocking copy", it is loosely defined as advertising where the advertised brand is explicitly compared with one or more competing ...
