Asking the right questions - Marin COE Home

Consider asking yourself and your team the five questions below to drive clarity, alignment, and strategic insight. The questions build on one another, leading to a well-aligned, strategic perspective. If you make these five questions part of your ongoing dialog, you will inevitably become more strategic and more successful as a team.

BBC Learning English - 6 Minute English / Asking the right

â€Asking the right Questionsâ€™ was a great book for two reasons. First, it provides several relevant examples. Second, the book is concise and only presents essential information. I compare it to Strunk and Whiteâ€™s â€Elements of Style,â€™ the classic grammar reference for avoiding needless fluff or pointless anecdotes. Itâ€™s about 180 ...

Are We Asking the Right Questions? - Getting Smart

The Art of Effective Questioning: Asking the right question for the desired result. The Value of questions "Asking good questions is productive, positive, creative, and can get us what we want". 1 Most people believe this to be true and yet people do not ask enough good questions. Perhaps one of the reasons for this is that effective questioning requires it be combined with effective listening.

Browne & Keeley, Asking the Right Questions: A Guide to

“The guidance Harmon provides in *Asking the Right Questions* is simple enough for a teenager or new believer to follow, but deep enough to lead even mature Christians to a better grasp and deeper application of Scripture. I love this book and look forward to using it to disciple people in our church.”
