Boston is the capital and most populous municipality of the Commonwealth of Massachusetts in the United States. The city proper covers 48 square miles (124 km<sup>2</sup>) with an estimated population of 685,094 in 2017, making it also the most populous city in the New England region. Boston is the seat of Suffolk County as well, although the county government was disbanded on July 1, 1999.

Rail terminology is a form of technical terminology. The difference between the American term railroad and the international term railway (used by the International Union of Railways and English-speaking countries outside the United States) is the most significant difference in rail terminology. There are also others, due to the parallel development of rail transport systems in different parts ...
