ABSTRACT. The main objective of this paper is to examine African culture and values. Since culture is often
seen as the sum total of the peculiarities shared by a people, a people's values can be seen as part of their
culture.

Matthew Arnoldâ€™s Culture and Anarchy spells out one of two major theories of culture to emerge around
1870. His theory defines culture in idealist terms, as something to strive for, and in this it helped to shape
twentieth-century thinking about the value of the humanities in higher education.
