African American Negro Spirituals and Slave Songs - Titles

Here is the comment I made when I inaugurated this list on 1 September 2004; since then, the list has evolved to encompass both vocal and instrumental musical compositions: Today, I thought I'd share with my readers a new feature for "Notablog" and a new page on my site. I have been promising readers to inaugurate additional "My Favorite Things" pages, pointing to such things as favorite books ...

The folk music of England is tradition-based music, which has existed since the later medieval period. It is often contrasted with courtly, classical and later commercial music. Folk music has been preserved and transmitted orally, through print and later through recordings. The term is used to refer to English traditional music and music composed, or delivered, in a traditional style.
