Your journey begins here! The information provided here is designed to help students transition smoothly to college life and get a jump start on their exploration of the liberal arts and sciences.

### **New Student Information - New Student Information**

Financial economics is the branch of economics characterized by a "concentration on monetary activities", in which "money of one type or another is likely to appear on both sides of a trade". Its concern is thus the interrelation of financial variables, such as prices, interest rates and shares, as opposed to those concerning the real economy. It has two main areas of focus: asset pricing (or ...
