Electronic music is music that employs electronic musical instruments, digital instruments and circuitry-based music technology. In general, a distinction can be made between sound produced using electromechanical means (electroacoustic music), and that produced using electronics only. Electromechanical instruments include mechanical elements, such as strings, hammers, and so on, and electric ...

INTRODUCTION TO FREE ENERGY This is a boat. It is pushed along by the action of the wind on the sails. It can travel thousands of miles. If, like me, you consider free energy to be a source of power which you don't have to pay for, then this boat sails with free energy as you don't have to pay for the wind it arrives free, all on its own.
