Nigerian English, also known as Nigerian Standard English, is a dialect of English spoken in Nigeria. It is based on British English, but in recent years, because of influence from the United States of America, some words of American English origin have made it into Nigerian English. [which?] Additionally, some new words and collocations have emerged from the language, which come from the need ...

Unlike English, Spanish spelling is very phonetic - that is, the letters consistently correspond to the same sounds. Some of those sounds are difficult for an English-speaking tongue to handle, but fortunately, the

resulting English accent won't usually get in the way of understanding. Spanish ...
