Information and resources about the new academic content standards for English language arts and mathematics adopted by the State Board of Education on August 2, 2010.

Common Core State Standards - Resources (CA Dept of Education)

Teachers often find it difficult to integrate writing and mathematics while honoring the integrity of both disciplines. In this article, the authors present two levels of integration that teachers may use as a starting point. The first level, writing without revision, can be worked into mathematics instruction quickly and readily. The second level, writing with revision, may
