

guided reading and review pdf

Guided reading is 'small-group reading instruction designed to provide differentiated teaching that supports students in developing reading proficiency'. The small group model allows students to be taught in a way that is intended to be more focused on their specific needs, accelerating their progress.

Guided reading - Wikipedia

During shared reading in the kindergarten classroom, teachers guide the entire class through stories with a high level of support. It is considered guided reading at this level. In order to continue meeting the needs of beginning or emergent readers, many kindergarten teachers are also incorporating modified aspects of the guided reading used in most first grade classrooms.
