David Coleman (born 1969) is the ninth president of the College Board, a non-profit corporation that is best known for designing the SAT exam and the Advanced Placement (AP) test. He is frequently described in the media as "the architect" of the Common Core State Standards Initiative.

### **David Coleman (education) - Wikipedia**

Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...
