AEI experts offer insightful analysis and commentary with op-eds from the nation's top newspapers and magazines, covering a variety of policy areas.

### **American Enterprise Institute scholars' commentary on**

Law and economics or economic analysis of law is the application of economic theory (specifically microeconomic theory) to the analysis of law that began mostly with scholars from the Chicago school of economics. Economic concepts are used to explain the effects of laws, to assess which legal rules are economically efficient, and to predict which legal rules will be promulgated.

Apartheid was a political and social system in South Africa while it was under white minority rule. This was used in the 20th century, from 1948 to the early 1990s. The word apartheid means "apartness" in Afrikaans. Racial segregation had been used for centuries but when the new policy started in 1948 it was strict and more systematic.. In the system, the people of South Africa were divided by ...
