Tibshirani announces new research result: A significance test for the lasso

Tibshirani announces new research result: A significance

A Web site designed to increase the extent to which statistical thinking is embedded in management thinking for decision making under uncertainties. The main thrust of the site is to explain various topics in statistical analysis such as the linear model, hypothesis testing, and central limit theorem

The method of least squares is a standard approach in regression analysis to approximate the solution of overdetermined systems, i.e., sets of equations in which there are more equations than unknowns.

Least squares - Wikipedia

The purpose of this page is to provide resources in the rapidly growing area computer simulation. This site provides a web-enhanced course on computer systems modelling and simulation, providing modelling tools for simulating complex man-made systems.

Modeling and Simulation - ubalt.edu

The "free energy principle"™ (FEP) has been suggested to provide a unified theory of the brain, integrating data and theory relating to action, perception, and learning.

The free energy principle for action and perception: A

R ist eine freie Programmiersprache für statistische Berechnungen und Grafiken. Sie wurde von Statistikern für Anwender mit statistischen Aufgaben entwickelt. Die Syntax orientiert sich an der Programmiersprache S, mit der R weitgehend kompatibel ist, und die Semantik an Scheme.
