These are books that would be in the Hogwarts library so it's cool to read books that Harry and his friends might have read. Anyone who's a big fan of Harry Potter would like to have these books. I'm not sure yet if these are books I would read multiple times but I've never seen these at the library and wanted to read them so that's why I got them.

The hard covers make the books look like they are actually taken right from the Hogwarts library! There isn't any big "Harry Potter" branding on them either, which makes them look even more authentic. The box they come in is really sturdy and presents the books really well. You really can't beat the price either!
