

work consumerism and the pdf

Consumerism is a social and economic order that encourages the acquisition of goods and services in ever-increasing amounts. With the industrial revolution, but particularly in the 20th century, mass production led to an economic crisis: there was overproduction – the supply of goods would grow beyond consumer demand, and so manufacturers turned to planned obsolescence and advertising to ...

Consumerism - Wikipedia

Anti-consumerism is a sociopolitical ideology that is opposed to consumerism, the continual buying and consuming of material possessions. Anti-consumerism is concerned with the private actions of business corporations in pursuit of financial and economic goals at the expense of the public welfare, especially in matters of environmental protection, social stratification, and ethics in the ...

Anti-consumerism - Wikipedia

The effects of the way things are produced and consumed today have impacts all around the world. Today's consumption is a major cause of environmental degradation. It is also a backbone to globalization in its current form and this often maintains disparities between the rich and poor.
